Bumbles Orrell Park - August 2021

Our Staff Team

Changes to the management team

Joanne has decided to extend her maternity leave further and spend more time at home with her little girl. Therefore, as from September Shirley will be taking over as Nursery Manager and Jenny will remain as the Deputy Manager. Shirley has been training alongside myself (Chloe, Area Manager) since May and comes with years of management experience and knowledge. As from September, I will return to my role as Area Manager working across all our settings supporting the managers and staff team.

Hi, I'm Ashleigh, I have worked here since January 2021 and I'm working towards completing my Level 2 qualification in childcare. I work in the Honey Bee room with the toddlers and love working with this age group.

Hi, I'm Olivia, I've worked here since January 2021 and I'm working towards completing my childcare Level 2. I work in the preschool room and have my own Key carer group which I'm enjoying forming bonds with both the children and the parents.

Parents Information

Term Time Dates - Autumn Term starts Monday 6th September.

Leavers Graduation - Bizzy Bees - Wednesday 18th August @3.45pm

Updated Covid information - We will be reviewing our procedures and policies in line with the next government change from w/c 16th August and will keep you informed of changes implemented within the setting moving forward.

Events this month.

Summer Olympics - 23rd July- 8th August 2021- The children in all rooms will be taking part in an obstacle course, racing and sports games in the garden.

World Lion Day - 10th August - Last year we sponsored a lion at Knowsley Safari Park. The children will be learning about lions, where they live and what they eat etc. We have also been sent some lovely activities from the safari park to complete.

Paralympics - 24th August - 5th September - The children will be learning about the Paralympics and taking part in exciting activities planned around this.

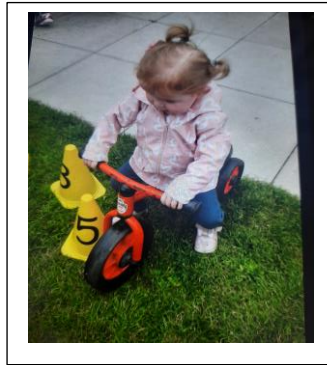

EYFS

We have recently sent information out through Ey Log regarding the changes we have made to our observation and planning system alongside the EYFS changing in September 2021. These changes will start coming into effect from this month. Please keep sending in your observations from home through the app as we love to see the adventures and achievements the children are making at home which can then link into nursery to support their development further.

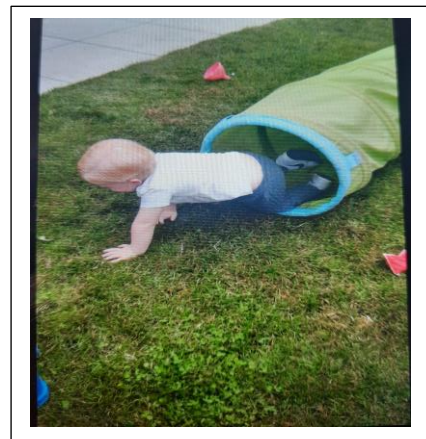

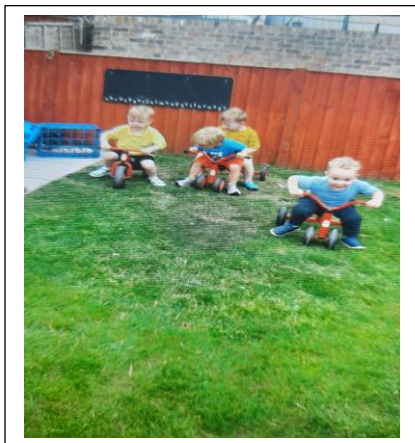

Baby Bees

Our Baby Bees have been celebrating the Olympics by making torches using their hands dipped into paint for the flame and sticking on coloured pieces to decorate. We have also made lovely artwork pictures for our displays in the room. We would also like to welcome our new babies who have been settling in very well on their visits and having fun making new friends!

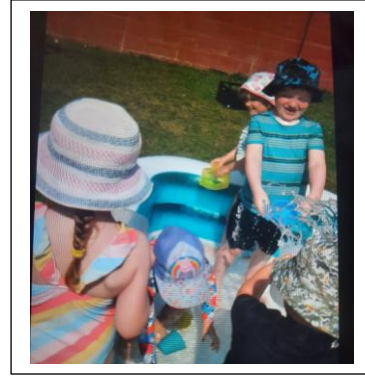

Honey Bees

This month we celebrated the Euros by playing football, making goals in the garden and creating England flags with different resources. Recently we've taken part in outdoor games for the Olympics including, obstacle courses, running races and bean bag throwing. We've been teaching the children how to work as a team and in pairs whilst copying the different exercises from the staff. Well Done Team Honey Bees!

Bizzy Bees

This month we've had some lovely weather and the children have enjoyed being outdoors in the sunshine splashing around in the paddling pool with their friends. The children have also taken part in different Olympics games including shotput, running races, dancing competitions, and building towers. The children really enjoyed building the tower, they worked together in their teams to see which group could build the tallest tower in the time set. Well done to all the children!

If you ever have any queries or questions, please contact me and I will be happy to help.

Thank You for all your support during this time,
Chloe, Shirley, Jenny and the staff team.
