## Parents Notice

We are looking for spare clothes for the nursery, if anyone is having a clear out. We would really appreciate tops, pants, socks, tights and underwear. Thank you

I would just like to remind you that children are still unable to attend if they have had medicine such as Calpol/Ibuprofen as these medicines will mask a temperature which is a symptom of Covid. If your child is teething, we are able to give teething gel/powders so please make sure you bring these in, in the original box. Thank you

## Employee of the month

Our employee of the month for December is Rebecca, in Baby Bees, who works so hard and her passion shows through her care for the children

## News from around the rooms

All of our children had a very enjoyable December! We enjoyed a lovely Christmas dinner, cooked by the wonderful Annie, a very festive Christmas celebration week and a very loud, amazing Carol Service from our Bizzy Bee children. The children loved seeing Santa and getting a little present off him! There was so much going on, the staff and children deserve a little break and rest over the Christmas period.

## Language Champion

During this term, we will be using Welcom as an extra Communication and Language tool to help develop the children's learning with their speech and understanding. Any children that are below their age in this area will have extra support and activities within nursery.

Nicole (Language Champion Co-Ordinator)

## Partnership with Parents

As some of you are aware, Ellie left us in December to pursue buying a house close to Wales so, I, Jess P, from our Bizzy Bee room has taken over as Partnership with Parents Co-Ordinator. I will be attending training to develop this role further and if any parents have any questions, please let me know.
