Aintree – March 2022

St Giles Church, Aintree Lane, Aintree Village,
L10 8LE.

General News

Staff Recognition

This month's Staff Recognition goes to Holly from Baby Bees. Holly has been implementing a lot of new and exciting activities for the children. Holly and her team have also been enhancing the room for the children to keep it exciting and interesting. Holly always has a smile on her face and her happy bubbly personality improves everybody's day.

Staff Profiles

As parents/ carers are no longer coming into the setting to see the staff like they used to, we thought it would be a good idea each month to do a Staff Profile for you all to see a photo of the staff members and a bit of information about them to get to know them a little more.

Lily Rees

The latest to join our team is the lovely Lily. Lily is a qualified level 2 who started with us in January. Lily is based in our Honey Bees room and she has already made good relationships with the children and staff within the room.

Congratulations

We would like you to join us in saying a massive congratulations to Jess on the arrival of her beautiful baby girl. Marley was born 28th January 2022.

Diary Dates, Celebrations & Events Calendar

- 1st March - Shrove Tuesday – We can't wait to make some extra yummy pancakes.
- 1st March – St David's Day
- 3rd March – World Book Day – Please dress your child up as their favourite book character. Please keep a look out on eylog for more information.
- 4-13th March – Winter Paralympics
- 17th March – St Patrick's Day
- 18th March – Red Nose Day
- 27th March – Mother's Day

Baby Bees

Baby Bees have had the best time celebrating the month of love! We took part in a pink shaving foam sensory tray, decorated with love hearts and glitter. We also created some Valentine's Day crafts to put in our memories folders. We hope your month was filled with love. We have also been developing our speech sounds and noises using different animals.

Honey Bees

This month Honey Bees have been focusing on celebrating Valentine's Day by carrying out different activities. We all enjoyed creating Valentine's day cards and making heart pictures using paint and glitter. We have also been exploring different coloured and sized dinosaurs.

Bizzy Bees

The month Bizzy Bees have been focusing on their number and colour skills. Bizzy Bees have been developing their colour skills using our coloured cups and placing the coloured bears inside. We have also been developing our fine motor skills using different tools to create marks in different messy play materials such as sand, shaving foam and gloop. The children have also enjoyed looking at different stories. We also made the most of the windy weather and created our own kites to fly.
