Bumbles Aintree – July 2022

St Giles Church, Aintree Lane, Aintree Village, L10 8LE.

General News

Staff Recognition

This month's Staff Recognition goes to Katie from our Bizzy Bees room. Katie is a level 3 qualified Nursery Practitioner who has shown drive and determination since being with us at Bumbles and always puts 100% into everything she does. Well Done Katie!

Parents Information

Just a little reminder to not to let other parents into the building when entering and leaving, every parent needs to buzz the intercom and wait to be let in, this is to keep all the children in our care safe.

Can all parents please remember to bring in a sun hat for your child as the warmer weather is approaching. We do provide our own sun cream for the children which is Boots Soltan sensitive factor 50, however if you would rather your child have a different one can you please provide us with a new unopened bottle.

Can I remind all parents please to make sure mobile phones are put away once on our premises, this is to ensure the safety of your children and for safeguarding reasons.

When bringing nappies in to the setting can I please remind all parents to just bring enough in for the days that your child attends this is due to not having the space to store them.

Can we also please remind all parents to collect their children who are on a half day by no later than 1 pm otherwise a £10 late fee will be incurred as you enter each part of the next 15 minutes.

Diary Dates, Celebrations & Events Calender

- World Chocolate Day – 7th of July – We have lots of fun filled activities planned for World Chocolate Day. All children will be making lots of yummy treats to take home.
- International Day of Friendship -30th of July – Our Nursery Practitioners here at Bumbles will be encouraging all the children to learn about friendships . We will be planning different types of activities around the importance of friendships.

Baby Bees

This Month in Baby Bees we have been enjoying the start of the summer weather. The children have had lots of fun taking part in some water play in the garden. Baby Bees have also had lots of fun chalking outside in the garden and exploring their motor skills. At the beginning of the month we celebrated the Queens Jubilee by decorating biscuits and playing lots of fun party games at our 'Royal Tea Party'. We posted a letter to Buckingham Palace for our Queen which all the children had taken part in by drawing some lovely pictures.

Honey Bees

Honey Bees have enjoyed taking part in lots of different activities for the Queens Jubilee including craft activities and baking. All our Honey Bees have had lots of fun!

Our Honey Bees have enjoyed lots of outdoor play and have been enjoying exploring in the garden and taking part in a variety of different activities including exploring different textures they can feel. They have also been taking part in different sensory play including sand and water activities in the garden.

Bizzy Bees

This Month our Bizzy Bees enjoyed taking part in yoga. The yoga was based around animals in the ocean for World Ocean Day to help develop the children's knowledge about the ocean. We really enjoyed using our bodies to create the shapes of the animals.

We have also been very busy creating our Father's Day cards and trying to write our own names inside. We spoke about why we love our daddies and special people in our life. We incorporated this into each card to make it extra special.

If you have any queries or questions, please contact Ayme or Tara in the office who will be happy to help.

Thank you for all your support,
Ayme, Tara and The Staff Team
