

Bumbles Nursery

Newsletter August 2022

Events!

2/08/2022 - National Colouring Book Day 2022 – National Colouring Book Day on August 2nd recognises the joy children and adults alike get from coloring in pages of designs. Colouring and colouring books have always been popular with children, but over the years, adults have gotten more and more involved with colouring. Obviously, adult coloring is now a huge trend. Many find that it is not only fun but also a great way to reduce stress.

10/08/2022 – World Lion Day – The children will learn all about Lions and their habitat on World Lion Day. We will have a roarsome day

20/08/2022 – World Honey Bee Day – This is a global celebration of bees and the role they play within our ecosystem. The children will be learning all about Honey Bees and what they do and explore lots of things that have honey in them.

24/08/2022 – Bizzy Bees Graduation 2022 – For the children leaving to go to Reception in September, we will be having a graduation on Wednesday 24th August. For Parents and the children who do not normally attend on this day, can you arrive at 3pm to drop of your child and make your way to the back garden (Hopefully we get the weather!) for our Graduation to start at 3.15pm. Don't forget your tissues as it will be an emotional event.

Parents Notice

When dropping off and collecting your child, can we ask if all parents can step into the room, making sure the door is fully closed, this is for the safety of all the children.

Can we ask that you take all your child's belongings home with you at the end of each session. This will ensure that you are taking any soiled clothes home that need to be washed and will help prevent any belongings becoming miss placed or lost. It would also be extremely helpful when trying to locate items, if all your child's clothing is labelled.

Just a little reminder to let us if your child is going to be absent from nursery due to holiday, illness or medical appointment, please. Thank you.

Please ensure you let us know if someone else will be collecting your child and ensure that they know your child's password

Just a little reminder to not to let other parents into the building when entering and leaving, to keep everyone safe, every parent needs to buzz at the door and wait to be let in. Please make sure when shutting the door, you do so with lifting the handle up to ensure the door is closed properly this is for the safety of all the children. Thank you

Can we ask if your child brings a bag to nursery that this is packed with the weeks necessities such as enough nappies, wipes, nappy sacks. Also, can you not leave any items such as medication, money, toys etc in your child's bag for safety reasons and Please do not bring in big bags, plastic bags or drawstring bags. Thank you

If you haven't already, can you make sure you email a family photo to nursery@kidzonenursery.com.

Employee of the month

Our employee of the month for July is Rebecca, she has worked really well in our Baby Bees room, introducing new activities to enhance the children's interest and stepping up in charge to cover Room Head duties.

News from around the rooms

Baby Bees

Our Baby Bee room have been exploring lots of different messy play activities especially painting with ice. The children have been exploring painting the ice and watching it melt. They have enjoyed using different materials to paint with using sponges, paintbrush and fingers feeling the texture in their hands. The children have enjoyed going out on trips exploring the community which we live in looking at the flowers, birds exploring the colours we see.

Steph Ball (Room Head)

Honey Bees

The children have been interested in different animals. We encouraged this interest with identifying animals from flashcards, watching the birds from the windows. They've all been curious about little creatures, so they loved using the magnifying glasses. The children have been showing they are becoming more independent and interested in the care routines, so we worked on this by promoting care routines during their play. The children have brushed the doll's hair. We've been encouraging the children to wipe their faces after meals and they are always so proud to have tried doing it themselves even if they are still a little messy!

Caitlin Dawson (Room Head)

Bizzy Bees

Bizzy Bees have been enjoying the weather and making the most of our garden during Spring. They have been using the mud kitchen to cook up some wonderful creations using the finest ingredients- mud, water, leaves and bark! Checking the bug house to see if any new creatures have chosen to live there. Also, the children have been practicing their mark making in a variety of ways, and particularly focusing on the letters in their names and starting to form these. They have done this with paint, paint on cling film, sand, water and brushes and chalk in the playground.

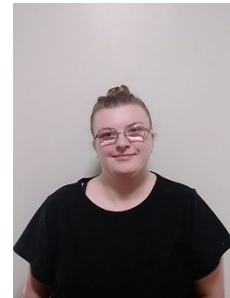

Sandi Kingston (Room Head)

Staff News

We have had 2 new staff start with us this month.

We have Chloe who is a qualified practitioner who has experience working within the childcare sector since 2018 and more recently with her own baby. Chloe is friendly, approachable, and excited to join our team!

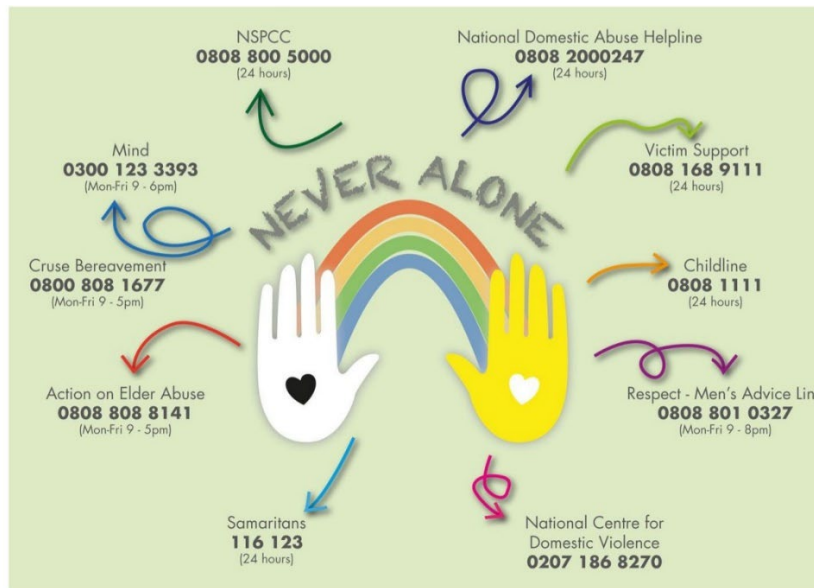

Lucy is qualified with a degree in Early Years Education and comes with excellent knowledge of children's development. She has a passion for working with pre-school children, teaching them new skills and watching them develop further.

Parent Champion

Our fantastic new Partnership with Parents Coordinator, Chloe, has been working hard gathering resources and making activity packs for each room which will be displayed outside by our front door from 1st August. Please help yourself to activity sheets. If you do require any information on anything specific please come and see me, Chloe, in Bizzy Bees.

Chloe Jones (Parent Champion)

Keep looking at our Facebook page for pictures and news from your little ones. Please look at www.bumblesnursery.co.uk. We would appreciate any feedback you may have.

Thank you!

We hope you enjoyed reading our newsletter.
Thank you for trusting us to teach your little ones.
From Rachael and all the Team
