General News

Parents Information/Polite Reminder

Can I please remind all parents to ring the door bell of each room and wait to be let in to the room. Can all parents make sure they are entering the room and shutting the room doors behind them when handing over to staff when dropping off and collecting.

Can we also ask all parent to make sure children are not bringing any toys in from home as they could get lost or broken. We wouldn't want any upset children.

When bringing nappies into the setting can I please remind all parents to just bring enough in for the days that your child attends that week, this is due to not having the space to store them.

Can we also please remind all parents to collect their children who are on a half day by no later than 1 pm otherwise a £10 late fee will be incurred as you enter each part of the next 15 minutes.

As the weather has now warmed up we have been taking part in lots of water activities If you wish you can bring in a swimming costume / swimming trunks. Can we ask that some spare clothes are also brought in so your children can get changed if they get wet.

Diary Dates, Celebrations & Events Calendar

- World Chocolate Day – 7th July We have had so much fun celebrating World Chocolate Day we even had a few yummy treats!
- International Day of friendship - 30th July – We will be taking part in lots of friendship and bonding activities and explaining the importance of friendship to the children.
- National Colouring Book Day – 2nd August- In August we will be taking part in lots of fun filled colouring activities.
- Nursery will also be closed on Monday 29th August for bank holiday.

Graduation

Tuesday 2nd August we will be holding our Preschool graduation. Please arrive at 3pm ready for a 3.15pm start. If your child does not attend on this day then please bring them in at 3pm so we can get them ready.

Baby Bees

This month Baby Bees have been making the most of the sunny weather. All the children have had so much fun playing in the paddling pool and taking part in water play activities. We have also recently introduced trips to the park, local shops or to feed the ducks at the canal. All the children have loved getting out and exploring around the local area.

Baby Bees have also had so much fun exploring a zoo tuff tray using lots of different resources.

Honey Bees

Honey Bees have been enjoying the warm sunshine safely though water play in our new paddling pool. Not only have our Honey Bees been playing in the garden but they have also really enjoyed taking part in arts and crafts and some messy play!

Honey bees have also been exploring in the construction area using shredded paper, and have been using the cars to create marks in the paint.

Bizzy Bees

This month we have enjoyed creating our own chocolate bars for World Chocolate Day using a variety of different materials.

Our Bizzy Bees have also enjoyed enhancing our construction area outdoors with lots of different materials such as wood chippings, tires, bark and soil.

On the 30th of July we will be celebrating international friendship day by sharing kind words to our friends. We make sure all children put this in to practice each day when taking part in our promise and feelings board. We will also be teaching the children the importance of friendships.

Head over to our Facebook page @BumblesNursery where we post weekly updates of all the fun we have been having.

Thank you to all parents and careers for taking the time to read through our newsletter.
