September 2022

## This Month in our rooms

**Baby Bees** – In Baby Bees we have been getting super messy exploring many different textures such as shaving foam, shredded paper and gloop. All of the children have enjoyed getting involved and using their fine motor skills to hunt to find hidden objects. We have also enjoyed splashing in the pool in the garden and looking at the different insects we found.

**Honey Bees** – This month we have been exploring our different senses. We have used tuff trays with different touchy-feely objects such as ice, cotton balls, corn flakes and flour. We have also explored our sense of smell using fruit to change the smell of the water. We have been developing our knowledge of safer sun. The children have helped to put on suncream and had fun learning to climb up the slides one foot at a time.

**Bizzy Bees** – This month in Bizzy Bees we have been learning a lot about letters and numbers. We have been developing our gross motor skills and fine motor skills by using big chalks, pouring jugs and bubble wands to help us get ready to write some letters. We have recently been gifted a new fire engine for the garden the children have loved learning about the fire brigade and pretending to put out fires in the garden.

## Good Luck

It is the very sad time of year when we have to say goodbye to a lot of our Bizzy Bee children as they go off on their new adventure in school. We wish all the wonderful children the best of luck in their primary schools and can't wait to see pictures of them in their uniforms.

## Important Dates

Bank Holiday Monday – 29<sup>th</sup> August (Nursery will be closed)

Black History Month - September

Roald Dahl Day - 13<sup>th</sup> September

Recycling Week - 19<sup>th</sup> September

## Staff News

We would like to welcome Faye to our Bumbles Team. Faye is currently based in our Honey Bees room working alongside Molly and Jasmin. Faye is a level 3 nursery practitioner who has 4 years experience working in nurseries. Faye is very bubbly and is always excited to introduce new activities in the room. In Faye's spare time she likes to socialise and go on long walks with her dog Ivy.

## Reminders

Can I please remind you that we cannot accept drawstring or plastic bags in the nursery. This is due to them being a health and safety risk to the children. Can I also ask if you can check your children's bags before bringing them in as we have to check these every morning for any dangerous items.

If you have any questions or feedback then please get in touch via email, telephone or in person.

Thank You, from Ayme and the Staff Team.
