## Parents Notice

Now the weather has turned colder, can we make sure you are bringing in adequate clothing such as coats/cardis/jumpers, can you also make sure you bring in a hat too. Thank you

Please do not let any Parents in behind you as every Parents needs to be checked and let in by the office. Thank you

Just to let you know, if your child has one loose nappy, we will call you to let you know and then if they have a second loose nappy, we will have to send them home as they may have a bug, to prevent it from spreading further.

Can I remind all Parents, if your child is given antibiotics from the doctors, they will need to be off for the first 24 hours. This is to ensure the antibiotics are in their system and no reactions have occurred. They can only return if they are well enough.

If you haven't already, can you make sure you email a family photo to [nursery@kidzonenursery.com](mailto:nursery@kidzonenursery.com).

## Employee of the month

Our employee of the month for September is Rebecca Thomas in Baby Bees, she is developing her role as Room Head and training our new staff with her skills, knowledge, and caring nature. Well Done!

## News from around the rooms

### Baby Bees

We have been taking part in lots of mark making, using different media and materials to make marks in paint and playdough. The babies were also offered a variety of objects such as bubble wrap, apples, and cars to create different prints on paper. The children have enjoyed making bubbles in water and splashing their teachers. The children loved using the different materials and staff have encouraged sensory exploration with feeling the textures of materials in their hands. Our babies have also had lots of fun with various music activities, using musical instruments and exploring new noises and sounds.

Rebecca Thomas (Room Head)

### Honey Bees

Our Honey Bees room have been enjoying the Autumnal weather and going out in the garden to work on their physical development. The children have been practicing their hand-eye co-ordination, playing football with their peers as well as bouncing the balls on the floor and catching them. Honey Bees have also enjoyed lots of seasonal craft and creativity. The children have created some fantastic artwork with leaf printing as well as painting firework pictures.

Caitlin Dawson (Room Head)

## Bizzy Bees

Bizzy Bees have been very busy over the past few weeks. They have been creating lots of lovely artworks using tubes to create fireworks and using our hands to make poppies for Remembrance Day. The children are enjoying watching the weather change, so we are making a lovely seasons display and teaching the children all about the different seasons and what happens.

Keely Lawton (Room Head)

Keep looking at our Facebook page for pictures and news from your little ones. Please look at [www.bumblesnursery.co.uk](http://www.bumblesnursery.co.uk). We would appreciate any feedback you may have.

## Thank you!

We hope you enjoyed reading our newsletter.  
Thank you for trusting us to teach your little ones.  
From Rachael and all the Team
