## News from around the rooms

### Baby Bees

Our Baby Bees have enjoyed making and playing with new sensory baskets, they have loved using all their senses to explore the different objects. The children met lots of new people in the community while they went for a walk, when the people waved hello, the babies waved back. The children will be enjoying trips to the park and the canal to feed the ducks over the next few weeks.

Our new children have been settling well and getting stuck in with lots of messy play to help build their confidence and relationships with their Key Carers. The children love our song bag and have been learning new words and actions.

Rebecca Thomas (Room Head)

### Honey Bees

Honey Bees children enjoyed going on a little trip to Lidl to buy some fruit for their fruit tasting activity. The children will be enjoying going to the park, the shops and Bobby's field looking for bugs, over the next coming month.

The children have been talking about recycling and completing some artwork using recyclable items. They have enjoyed lots of gluing and sticking and messy play. Our teachers have been concentrating on the children's speech during story and song times.

The children have enjoyed making pizzas with their friends. Ann, they looked at each ingredient and put them on top of their pizza's which they enjoyed eating for lunch.

Caitlin Dawson (Room Head)

## Bizzy Bees

Our new Bizzy Bee children have settled in so well, we are so proud of them. The children have been learning about themselves and what they look like, each child has painted a portrait of themselves to display on our board.

The children enjoyed lots of recycling for Recycling Week, they will continue using the recycling bucket to put in any items that can be recycled, and our Eco School Committee will take it out to the bin with Keely.

The children loved listening to stories, especially 'The Jungle Book', after the story the children coloured in

pictures of their favourite animal from the book.
