## Date to remember

## Parents Notice

Just a little reminder please when picking your children up from nursery. It is one parent/career per family and please can you not let other parents enter the building. Please can you wait until you are buzzed in.

Also, can you let the office know as soon as possible if your child is going to be off nursery e.g Holiday or Sickness.

As you are aware it is getting colder outside, please can you make sure you provide your child with a suitable warm coat, shoes and wellies as we still like to play and explore outside during the winter months.

## Employee of the month

Employee of the month goes to Catherine McCole for helping with extra hours and helping work in the various rooms and being a great team player. Well done Cath!
