Our new Deputy Manager Kerry has now started here with us and will be based in Bizzy Bees. Thank you for making Kerry feel so welcome, Kerry is looking forward to getting to know all of our families.

Also just started at Orrell Park is Annarita, Annarita has started her apprenticeship here with us and has settled into our Baby Room team amazingly.

As you might remember in our last newsletter we said goodbye to Becca from our Baby room. Becca however missed us so much that she has been in touch with us and has rejoined our team.

### Baby Bees

Last month Baby Bees have been taking part in lots of different activities and celebrated some festivities. The children loved dressing up and went pumpkin picking in the Forest School for Halloween.

They have also enjoyed spending time outside and taking part in mud play activities on 'Outdoor Learning Day'.

Baby Bees have been making firework pictures and edible rockets to celebrate Bonfire Night.

On Nursery Rhyme Week, Baby Bees took part in different themed activities based on different rhymes such as "I can sing a rainbow", "I'm a little teapot" and "Muffin man".

This month Baby Bees will be taking part in lots of Christmas activities and crafts, such as making Christmas cards and melting snowman pictures.

### Honey Bees

Last month the children created their own firework pictures, baked cookies and during National Nursery Rhyme Week took part in counting activities such as '5 little frogs'. They also took part in transporting activities using Nursery Rhymes like 'Baa Baa Woolly Sheep' and also made homemade pizza with the help of our fabulous cook Shirley! For Children in Need the children created amazing spotty artwork.

### Bizzy Bees

During November Bizzy Bees had so much fun celebrating different events, for Bonfire Night the children enjoyed mark making and creating pictures of fireworks. For Remembrance day the children designed poppies and observed a 2 minutes silence to pay their respects to the armed forces.

Throughout Nursery Rhyme Week Bizzy Bees looked at different nursery rhymes and carried out lots of fun and exciting activities including sequencing, puppet shows and science experiments. One of the highlights from the week was the egg experiment, using different materials to try and protect the egg when it was dropped (Poor Humpty Dumpty!!).

### Partnership with Parents

Some of our Honey Bee children will be getting their 2 year old progress checks over the next few weeks, this is to coincide with your health visitors reports. If you have any concerns, please let us know. Morgan (Partnership with Parents Coordinator)

### Children In Need

Thankyou to everyone who took part and donated we raised £39.50. The money raised has been sent to the charity which is going to make such a huge difference to those children that need it most. The nation managed to raise over £35 million so a massive THANK YOU!

### Activity to try at home

Why not go Autumn Hunting!

Go for a local walk around the park or woodland area and see how many Autumn items you can find, such as leaves, twigs and conkers. Can you build/make anything with these items?

Send us your pictures through eylog!

Keep looking at our Facebook page for pictures and news from your little ones. Our website is live and updated regularly so please have a look at [www.bumblesnursery.co.uk](http://www.bumblesnursery.co.uk). We would appreciate any feedback you may have.

Thank you!

We hope you enjoyed reading our newsletter.

Merry Christmas From Jen and all the Team
