Parents Notice

With the weather turning colder, can we make sure you are bringing in adequate clothing such as coats, cardigans, jumpers, hats, scarfs and gloves as we will still be spending time in the garden.

Can I remind all parents, if your child is given antibiotics from the doctors, they will need to be off for the first 24 hours. This is to ensure the antibiotics are in their system and no reactions have occurred. They can then only return if they are well enough.

If you haven't already, can you make sure you email a family photo to nursery@kidzonenursery.com. This is for our family displays that will be up in the rooms.

We would like to inform you that unfortunately Lisa has decided that she will not be returning to Bumbles in the new year. Lisa is a great asset to our team and we will be very sad to see her leave, however she has been offered a higher position which will help to further her career. I am sure you will join me in wishing Lisa all the best in her new position.

If Lisa is your child's key person this will change to Tara in the new year. Tara and Jodie will continue to be based in Bizzy Bees, with Tara being acting room head until the vacancy is filled. We would also like to introduce both Anna and Tanya to our team who we will introduce over the coming weeks.

Employee of the month

Our employee of the month for December was Ella Hughes. Ella shows a true commitment to the nursery and always puts other people before herself. We are very lucky to have Ella as part of our Bumbles team. Well done Ella!

News from around the rooms

Baby Bees

What an amazing month our Baby Bees have had. We have been taking part in lots of festive activities such as having snowball fights and creating beautiful Christmas crafts. We had lots of fun celebrating at our Christmas party, enjoyed our yummy Christmas dinner and even had a very special visit from Father Christmas who very kindly bought us some gifts. We hope you all have a magical Christmas and New Year.

Honey Bees

This month in Honey Bees we have enjoyed creating lots of different Christmas crafts for our parents. The children have also been super excited telling us about what they want for Christmas. We have been having lots of fun with our activities, the children even helped with our ice rescue saving all of the animals that Elsa had frozen. We also wrapped up warm to have a snowball fight in the garden and went on a hunt for the hidden elf.

Bizzy Bees

This month we have been very creative. We have been developing our fine motor skills when making our Christmas cards and working on our letter formation. We have also been helping Father Christmas get ready for the big day by cutting his beard to develop our scissor skills. The children have also been telling us all about what they would like for Christmas and were excited to tell Father Christmas when he came to the nursery.
