Staff Recognition 🏆

This months Staff Recognition is Ellie Matthews. Ellie is passionate about childcare and shows this with her hard work and dedication towards continuous training and updating her knowledge. We are very lucky to have Ellie as part of our Bumbles team.

Room News

Baby Bees

Baby Bees have had an exciting start to the year. The babies have been taking part in lots of arts and crafts activities to create some colourful and exciting displays for the room.

We also celebrated Chinese New Year this month. The children enjoyed tasting some Chinese food and creating our own lanterns to hang around the room.

Holly Anderson – Baby Bees Room Head

Honey Bees

This month in Honey bees we have enjoyed celebrating Chinese New Year, we created our own dragon using hand prints and our own dragon masks. The children loved tasting the Chinese food and messy play with the red rice. The children also enjoyed learning about energy saving week and how we can save energy by turning lights off when it is sunny outside. We have also been developing our understanding and responding to ready, steady, go by having races in the garden.

Ella Hughes – Honey Bees Room Head

Bizzy Bees

Bizzy Bees have been practising our numbers. The children have been taking part in a lot of counting activities as well as number recognition. The children also enjoyed celebrating Chinese New Year. The children learnt about the Year of the Rabbit and what it symbolises. The children used Chopsticks and Spoons to fill Bowls of Hope. We also created our own Rabbit masks and lanterns to develop mark making skills as well as colour recognition.

Tara Reardon – Bizzy Bees Room Head

Outdoor Learning

The Children have enjoyed taking part in sensory time outdoors this past month. We have used different textures found in the garden such as Leaves, Grass and Twigs to explore the different sensory experiences. The children also enjoyed exploring the Ice and learning about how Ice melts and what Animals live in Icy weather conditions.

Parents Notice & Reminders

- With the weather turning colder, can we make sure you are bringing in adequate clothing such as Coats/Cardigans and Jumpers. Could you also ensure you bring in Hats/Scarfs and Gloves too as we will still be spending time in the Garden.
- We would like to thank everybody who donated to our Food Bank. It was very generous of you all and was greatly received by our local Food Bank.
- We would also like to introduce both Jess and Charley to our team who have recently started with us. Jess is based in the Honey Bees room and Charley is based in our Bizzy Bees room. If you have not yet met them they will introduce themselves in the coming weeks.

Thank you!

We hope you enjoyed reading our Newsletter.

Thank you for trusting us to teach your little ones...

From Ayme and the Staff Team 😊🐝
