🌱👷 Fundraising Event- Twinning Garden 👷🌱

We will be running a fundraising event on: Wednesday 14th June to support the Ripple Effect. We are hoping to raise enough money to ensure a family living in rural Migori, Kenya to start their own kitchen garden so families can grow enough to eat, set up small businesses, send their children to school and go after their dreams. In return alongside this the children in nursery will get the opportunity to run our own garden twinning adventure.

We are asking for children and staff to wear something green for a small donation. We will also be holding a cake sale at the end of the day, so please don't forget your pennies.

Parents Notice & Reminders

- Can I please remind all parents/carers to check their children's bags before coming into Nursery. Please ensure there are no toys, food, money, medication or plastic bags within their bags. Can you please also ensure that bags are not drawstring.
- Can all parents please ensure that you are not letting other people into the building and can you please pass this information on to anybody else who may be collecting your child. This is to safeguard all of the children by ensuring the management team knows who is entering the building.

- If you would like to order a uniform please speak to your child's Key Carer who will be happy to give you an order form.
- Please can you bring in a sun hat which is clearly labelled and can be kept at nursery.

Thank you!
