## 

A big Well Done to Meg and our Eco-Committee, they have again been successful in meeting the requirements for the Eco-Schools Green Flag Award.

Here are just some of the highlights...

***“This is a strong approach to working on things that will produce visible impact and change, and a great example of critical thinking”***

***“You have provided examples of curriculum links which are imaginative, practical and fun, making learning about environmental issues accessible and engaging, and it’s clear that a strong environmental education is already securely embedded at your setting.”***

## Parents Notice & Reminders

- Can I please remind all parents not to put your child in open toe sandals or Crocs as this is a tripping hazard.
- Can we please remind parents/carers to make sure they are putting their phones away when entering the building. This is for safeguarding reasons.
- Can all parents please ensure that you are not letting other people into the building and can you please pass this information on to anybody else who may be collecting your child. This is to safeguard all of the children by ensuring the management team knows who is entering the building.
- If you would like to order a uniform please speak to your child's Key Carer who will be happy to give you an order form.
- Please can you bring in a sun hat which is clearly labelled and can be kept at nursery.
