

Bumbles Nursery

Aintree

November 2023

St Giles Hall, Aintree Lane, Aintree Village, L10 8LE ☎ 0151 287 3944

Events

- Bonfire Night - **5th November**
- Remembrance Day - **11th November**
- Diwali - **12th November**

We will be holding a pumpkin carving competition if any parents/carers would like to get involved. There will be 3 winners.

All pumpkins must be brought into the setting by the 31st October where we will then decide on the winning pumpkin. We can't wait to see what you create.... 🍁 🎃 🧛

Staff Recognition 🏆

This month's staff recognition goes to Thomas

Thomas works very hard and is always helping out and supporting the staff in all rooms when needed.

We are very lucky to have Thomas as part of our team!

Room News

Baby Bees

Baby Bees have continued to focus on their senses. They have been exploring with different textures such as Jelly. The children have also enjoyed using the sensory tubes which have been filled with various objects such as rice, beads and pasta to also experiment with different textures and sounds. Baby Bees have loved being outside in the Autumn. They have been using objects from outside such as sticks and leaves to explore sounds and textures.

Holly Anderson – Baby Bees Room Head

Honey Bees

Honey Bees have enjoyed continuing to work on their colour skills. They are becoming more confident in matching colours to the correct bears and frogs during activities. They have also been matching colours in other areas such as the red blocks to the red Fire Engine.

Honey Bees have enjoyed collecting leaves from the garden and have also enjoyed listening to the crunching noise they make.

Molly Lockwood - Honey Bees Room Head

Bizzy Bees

Bizzy Bees have been focusing on our five senses and the different organs within our bodies. The children have enjoyed using their senses to explore the room around them. Bizzy Bees have also learnt about their organs and their roles, for example, we have spoken about our heart and how it pumps blood around our body. The children have enjoyed running around the garden then placing their hands on their heart to feel it pumping. Bizzy Bees also enjoyed creating their own halloween decorations such as skeletons and pumpkins.

Ella Hughes - Bizzy Bees Room Head

Outdoor Learning

Baby Bees have really enjoyed feeling the different textures of the leaves in the garden

Honey Bees have had lots of fun taking part in collecting sticks and leaves for their art work.

Bizzy Bees have really enjoyed taking part in role play in the garden in our new and improved areas.

Parents Notice & Reminders

- We have a coat swap in the hallway if any parents would like to take a coat or have any coats to donate please feel free.
- Can I please remind all parents/carers to make sure they are not letting the children bring food in as we have children who have allergies within the setting. Any food that is brought into the nursery will be discarded.
- Can I please remind all parents to make sure they are checking their child's bag to make sure there are not any items in there that could be a choking hazard.
- Can I also remind you to please put your children's name in their clothing so we can easily identify children's belongings.

Improvements and Purchases

We have recently enhanced our Bizzy Bees garden with new improved areas.

Thank you!

We hope you enjoyed reading our Newsletter.

Thank you for trusting us to teach your little ones...

From Ayme and the Staff Team
