We have recently taken a trip to Dunelm to deliver the gifts that you have all helped to collect for children in our area. We are very overwhelmed by all your kindness that you have shown. 4 trolleys full is a very big achievement, we are so proud that we are able to make a difference and put a smile on someone's face at Christmas.

Thank you all so much.

We have decided each month that we are going to ask each staff member to do a little write up about themselves so that you can get to know them even more. Our first write up is about Holly, Holly is Third In Charge of the Nursery and Baby Bees Room Head:

My name is Holly, I have worked at Bumbles Nursery for over 2 years now. Within the past 2 years I have gained a few different roles such as Baby Bees Room Head, Third In Charge and also SENCO. My Role as SENCO is to work alongside any children that may have additional needs, for example speech delays or dietary requirements. I work with the children, staff and parents to put action plans in place in order to help children reach their full potential.

Within my role as Third In Charge and Room Head I support management in the daily runnings of the Nursery, I also offer guidance to staff within the rooms and strive to create a safe environment for the children.

Outside of work I enjoy going to local music events within Liverpool.

Parents Notice & Reminders

- We have a coat swap in the hallway if any parents would like to take a coat or have any coats to donate please feel free. If you do not have a coat to swap but would like to take a coat please help yourself.
- Can all parents please make sure that their child has suitable clothing for the weather - Wetsuits, hats, gloves, wellies.
- Can I please remind all parents/ carers to make sure they are not letting any parents in through the main door - this is for safeguarding reasons and so we know who is coming in and out of the building at all times.
- In January we will be taking food bank donations. Any tinned or packaged food would be appreciated. There will be a basket in the hallway when we return after the Christmas break.

Improvements and Purchases

We have recently enhanced our Bizzy Bees garden with new improved areas. Our staff team worked very hard to make the nursery look very festive as a surprise for the children. A new addition this year is our handmade Christmas tree outside!
