Outdoor Learning

We have purchased new wetsuits for all of the children to go outside, the children have loved wearing them and said they keep them nice and dry when it is raining! They are also made from recycled bottles which will help with our push for a cleaner environment as no unnecessary materials have been used or produced.

Staff Recognition 🏆

This month's Staff Recognition goes to Morgan. Morgan received the award this month due to her positive attitude and lovely smiling face that she greets us with each day. Morgan always goes above and beyond and has been very supportive towards all of the team. Well done Morgan!

We have decided each month that we are going to ask each staff member to do a little write up about themselves so that you can get to know them even more. Our first write up is about Sara, Sara is Third In Charge of the Nursery and Baby Bees Roomhead:

Hi my name is Sara, I am 33 years old and I'm from Italy. After years of working as a babysitter and doing my diploma in childcare, I felt as if my life was missing something so, I decided to leave my home country, family and friends for a new adventure. I moved to London and started working, first as an au-pair and then as a nanny, all whilst learning a new language and culture. In 2018 a new opportunity opened up and I moved to Texas for four months where I continued to work as a nanny. Once back in the UK as much as I loved living in London. Life was becoming too hectic so my husband and I decided to move to Liverpool where I started my first job at a nursery.

After qualifying in level 2 in childcare, I started working at Bumbles Orrell Park, I completed my level 3 and progressed in my career by becoming Roomhead, Third In Charge and SENCO. I've always loved working and spending time with children and I can't see myself doing any other job. My biggest passions are music and travelling and I'm also very creative, you'll often find me with paint and glue in my hair!

Baby Bees

This month Baby Bees have been celebrating Christmas with lots of fun activities and crafts, from salt dough decorations to a 'Polar Express' small world tuff tray. The children loved spending time together and celebrating at our Christmas party and dinner.

In January we will introduce our new theme which is 'Animals' and the children will take part in themed activities.

Sara Pieri – Baby Bees Room Head

Sarah will be leaving us this month to start her maternity leave, please join us in wishing Sarah all the best for her new arrival and we hope she comes back to visit us soon!

Honey Bees

During December the children have enjoyed joining in with craft activities. We have had so much fun making special Christmas themed gifts. We loved our Christmas party and our special visit from Father Christmas. We also went to visit the home next door and sang to the residents, who loved joining in singing with us. When we finished we gave them some mince pies to enjoy!

In the New Year we will be focusing on our new theme which is 'Senses', we will be making and exploring touch and feel materials.

Bizzy Bees

Throughout the month of December Bizzy Bees have been working hard preparing all of our Christmas activities. We have been practising our singing every day for our Christmas Carol Concert. We also really enjoyed going to visit the home next door to sing for them. We had a lovely visit from Father Christmas and he very kindly gave the children gifts. In January our new theme is 'Space', we are looking forward to creating and learning about our new topic
