Staff Information

We have decided each month that we are going to ask each staff member to do a little write up about themselves so that you can get to know them even more.

Hi my name is Ella I am the Room Head of Bizzy Bees.

I have worked in Childcare for 4 years starting as an Apprentice and working my way up through different roles.

I have worked in all of the rooms and I have a great knowledge of the different age groups.

Bumbles Nursery is the first nursery I have worked in and I have learnt everything I know through working with the children both past and present. In my free time I enjoy spending time with my younger brothers and going on days out whenever I can. I also take part in weekly dance practice and competitions and I have done this since I was 2 years old.

Parents Notice & Reminders

- Please can I remind parents/carers not to use their mobile phones in the building, we need to keep your children safe at all times.
- Can all parents please make sure that their child has suitable clothing for the weather such as, wetsuits, hats, gloves, wellies.
- Can I please remind all parents/carers to make sure they are checking their child's bags before coming to Nursery. There should be no items which could be a choking hazard or any type of medication/creams.
- We have a lending library in the hallway if you have any books that you would like to donate please feel free.
- Can I please remind parents/carers to make sure they are putting their child's names in coats and any other clothing please.
- *Can I please remind all parents/ carers to make sure they are not letting any parents in through the main door when picking up or dropping off your child - this is for safeguarding reasons and so we know how many and who is coming in and out of the building at all times.*
