Staff Recognition 🏆

This month's Staff Recognition goes to Morgan, our Honey Bees Room Head.

I am always so proud of the care she provides for the children. Morgan shows wonderful professionalism in all she does. She always has the loveliest smile on her face and nothing is ever too much trouble. I really appreciate the help and support she gives to myself and the staff team.

Staff Information

This month I have continued to attend safeguarding training courses with Liverpool Council as I will be becoming the designated Safeguarding Lead for the nursery.

Maisy has enrolled to start her apprenticeship and Danielle has been named as Communication Champion for our nursery and will be attending upcoming training for this role.

Morgan has attended Step Up To Two's training and Sara has been on SEN training and attended a celebration event for baby room development.

Each month we are asking a member of staff to complete a little write up about themselves so that you can get to know them even better.

This month's write up is about Kerry, our Deputy Manager.

Kerry has worked with children ages 0-5 for 20 years now, she started her career as an apprentice and then went on to complete her Level 2 and Level 3 Nursery Nurse qualifications.

Kerry has worked with all ages and had a number of roles during her career.

She was Room Head, Senco, Deputy Manager and Manager.

Kerry then decided she wanted to enhance her career and further her knowledge so she went to Edge Hill University to study Foundation Degree In Early Years Education and Leadership. Kerry carried on her study and completed a BA hons in Early Years Education and Leadership.

Kerry has worked for Bumbles since November 2022, she is an integral part of the team and supports the children, staff and parents.

Outdoor Learning

All of the children have been going out on a variety of trips during the month of March, Honey Bees have visited the park, went on a local walk and visited the shops.

Baby Bees have visited the shops, went on a local walk and visited the park.

Bizy Bees went for milk and toast at the local cafe, for a local walk and visited one of our other nurseries.

We also have a new four seater pram so we can take more of the children out together on our trips.

Room News

Baby Bees

Baby Bees have had lots of fun introducing their new topic, 'All About Me'. They have been learning about their immediate family and took part in lots of sensory play activities.

The children have also been going on weekly trips, learning about the community and having real life experiences, such as going to the park or the shops.

Baby Bees celebrated Easter with a variety of activities such as Easter egg hunts, potato stamp painting, chocolate making and an explorative Easter themed tuff tray.

Honey Bees

The children had such a fun day on World Book Day, they loved seeing each other dressed up as their favourite characters.

Easter crafts were also so much fun, the children especially enjoyed the chocolate eggs that they made.

During the month of April the children will be celebrating Earth Day and St George's Day.

Bizzy Bees

Last month Bizzy Bees had lots of fun doing their Easter activities, they made Easter baskets and homemade chocolates. They also enjoyed showing their friends their Easter bonnets and they did a little parade in the garden.

This month Bizzy Bees will be focusing on Paramedics and Dentists and about how they help us and what they do.

They will also be learning about dental care and the importance of this.
