Honey Bees

Honey Bees have been focusing on our physical abilities by setting up obstacle courses around the garden that were challenging but achievable. We have been looking at different ways of moving such as running, jumping and hopping.

Honey Bees also enjoyed making some yummy rice crispie cakes, we made these into tree shapes to stick with our theme of seasons.

Staff Information

We have decided each month that we are going to ask each staff member to do a little write up about themselves so that you can get to know them even more.

Hi my name is Lisa I hold the position of Third In Charge. This means that I support both the management team and also the Room Head of our Honey Bees room.

You may often see me of a morning opening up the nursery or of an evening in the office closing down. I work full time at Bumbles and I have a lot of knowledge around children of different ages.

In my spare time I enjoy spending time with my family and my stepdaughter. We love going to the park and on different adventures.

Parents Notice & Reminders

- Please can I remind parents/carers not to use their mobile phones in the building, we need to keep your children safe at all times.
- Can all parents please make sure that their child has suitable clothing for the weather such as, wetsuits, hats, gloves, wellies.
- Can I please remind all parents/carers to make sure they are checking their child's bags before coming to Nursery. There should be no items which could be a choking hazard or any type of medication/creams.
- We have a lending library in the hallway if you have any books that you would like to donate please feel free.
- Can I please remind parents/carers to make sure they are putting their child's names in coats and any other clothing please as we have some children with the same/ similar clothing.
- *Can I please remind all parents/ carers to make sure they are not letting any parents in through the main door or holding this open when picking up or dropping off your child - this is for safeguarding reasons and so we know how many and who is coming in and out of the building at all times.*

Thank you!
