## Staff Recognition

This month's Staff Recognition goes to Lucy who is based in our Bizzy Bees room.

Lucy is a wonderful member of staff, she is so kind and caring with the children, she is often seen running around the Forest School with a group of children behind her. Lucy always has a huge smile on her face and the staff and children love her being here. Lucy always helps out all around the nursery and is really passionate about the forest school, she is always thinking of new ideas and activities for the children to do.

Well done Lucy!

## Staff Information

This month Danielle has completed her ELCLAN training, she has been working very hard on this so well done to her. She has also attended training for the Communication Champion with Liverpool City Council and will be attending further training for this.

Each month we are asking a member of staff to complete a little write up about themselves so that you can get to know them even better.

This month's write up is about myself (Amanda- Nursery Manager).

I have worked in a variety of roles which have all been in childcare apart from one.

I have taken care of children since I was 18 years old when I went to live in Florida as an Au Pair. My career has taken me all over the country. I have worked in London, Oxford, Scotland and travelled the length and breadth of England working in many different nurseries. One of my proudest achievements was going to do volunteer work in Fiji. I stayed there for six months and worked as a teaching assistant in a special needs school. It was the most rewarding and humbling experience and one I will always treasure. Working with children is the most amazing role in the world and I am blessed to get to spend each day with your children. Thank you.

## Outdoor Learning

We have all really enjoyed all of our trips during the month of April, we have been to lots of different places we went to the park, the shops, the train station and to the farm. We all really loved the farm and didn't want to come back to nursery as we were having too much fun!

## Room News

### Baby Bees

Baby Bees are continuing to explore their topic "All About Me." The children are learning about body parts through songs, actions and gestures. They have been taking part in activities learning about their immediate family members and the world around them creating family trees and decorating family picture frames. The children are also enjoying going on trips around the community and they loved going to visit the animals in Rice Lane Farm.

### Honey Bees

The children have enjoyed celebrating the Grand National, they coloured in horses and had running races in the garden. The children have been learning to regulate their emotions through yoga by copying actions and using their whole body.

Honey Bees have also enjoyed going out on trips.

### Bizzy Bees

Bizzy Bees have continued enjoying the theme 'People who help us,' we are looking forward to our visit from the Nurse who is going to tell us all about her job and what she does.

We played games in the garden and pretended we were police, this was so much fun.

We have also been doing lots of yoga with all of the staff and we are getting really good at this and love to go into the green room for our sessions each day.

## **Parents Notice & Reminders**

- Can I please remind all parents to ensure that the gates on the stairs are locked behind you when entering or leaving the building, thank you.
- Please can I remind parents/carers not to leave items (such as medicine, plastic bags, creams, food items) in your child's bag. This would be very much appreciated in order to keep your children safe.
- We have an online First Aid course for parents. Please let me know if you would like to complete this and I will send you a link.

## **Improvements and Purchases**

**We have recently bought a new sand pit for our garden.**

**Thank you!**

**We hope you enjoyed reading our Newsletter.  
Thank you for trusting us to teach your little ones...  
From Amanda and the Staff Team 😊🐝**
