Themed planning for the this term is :

- Baby Bees- Seasons
- Honey Bees - Transport
- Bizzy Bees- What's That?

Staff Recognition 🏆

This month, we're thrilled to recognise Grace from Bizzy Bees. Grace has passed her Level 3 in Childcare and is always keen to gain more knowledge to develop her teaching skills. Grace has expressed an interest in SENCO work and has been appointed our new SENCO to work alongside Gemma. Grace has followed policies and procedures correctly.

Thank you for everything you do — we're so lucky to have you as part of the team!

Outdoor Learning

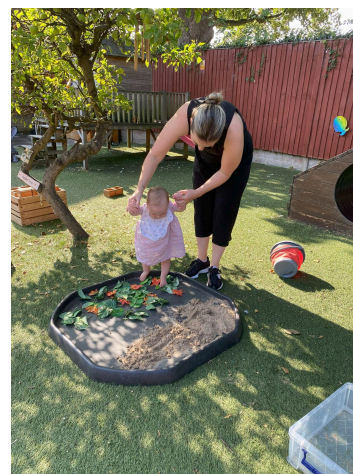

This month we've been making the most of the sunshine in the garden! The children have loved using water and sponges to help clean the Wendy house, as well as washing our bikes and scooters while pretending to run their very own car wash. We've also been watching our flowers begin to bloom – their bright colours have made the garden look even more beautiful.

Garden Co-Ordinators - Ellie Lee and Melissa Duncan

Room News

Baby Bees

This month our Baby Bees have had lots of fun exploring different textures during our *"Going on a Bear Hunt"* role play in the garden. The children were able to use their senses as they walked barefoot across a variety of surfaces. They felt the soft tickle of the grass, the grainy sensation of sand between their toes, and the refreshing splash of cold water on their feet. This sensory experience encouraged curiosity, built confidence to try new things, and gave the children opportunities to develop language as we talked about how each texture felt. It was a wonderful way to combine imaginative play with early sensory learning.

Rebecca Thomas - Baby Bees Room Head

Honey Bees

This month in Honey Bees we have been exploring our *"All About Me"* theme. The children have been learning about the importance of looking after themselves, including personal hygiene and how to keep their teeth clean and healthy. They enjoyed practicing good tooth-brushing routines and talking about different parts of their bodies, what they are used for, and how to keep them safe and strong.

Melissa Duncan - Honey Bees Room Head

Bizzy Bees

This month, our theme has been “*Rethink the Future*”, where we’ve been exploring recycling and learning together about the small but powerful ways we can help protect our planet. The children have really enjoyed discovering how their everyday choices can make a big difference.

In Bizzy Bees, we also had the wonderful experience of growing butterflies. We carefully observed each stage of their life cycle, from tiny caterpillars to beautiful butterflies, before setting them free in the garden. It was a magical moment that truly brought nature to life for the children.

Lily Hennessey - Bizzy Bees Room Head

Well-Being

This month we have been focusing on staff wellbeing. To show our appreciation for the dedication and hard work our team puts in every day at Bumbles Nursery, we treated them to a special breakfast. It was a lovely way to say thank you and remind our staff how valued they are.

Lydia Bird (Well-being Co-Ordinator)

Eco-Schools

We’ve been focusing on helping the children in Bizzy Bees understand why recycling is important, the difference between recycling bins and regular bins, and which items can or cannot be recycled. We’ve also explored how littering affects the world around us. The children have particularly enjoyed using the interactive display board, where they can sort different types of waste into the correct bins.

Abigail Sealey (Eco-School Co-ordinator)

Parents' Notice & Reminders

Dear Parents and Carers,

We kindly ask for your support with the following reminders to help us maintain a safe and smooth-running environment for all children:

Mobile Phones

Please do not use mobile phones inside the nursery building, including hallways. This helps us maintain a safe and focused environment for the children.

@BumblesNursery

www.bumblesnursery.co.uk

nursery@kidzonenursery.com

Warm Weather Essentials

As the weather warms up, please ensure your child arrives with:

- A hat
- Light, suitable clothing
- Sunglasses (optional but recommended)
- We provide factor 50 sun cream, but if your child requires their own, please supply it and leave it at the nursery.

Driveway Safety

Please take extra care when entering and exiting the nursery driveway. Be mindful of pedestrians and young children walking nearby. Drive slowly and safely.

Collection Time Reminder

Children must be collected by 5:45 PM. This ensures staff can give you a full handover and still have time to clean and prepare the rooms for the next day.

Bag Checks

Please do not leave items such as medication or cream in your child's bag. These must be handed to the office and a medication form completed. Also, no food should be brought in due to allergy risks. Thank you for your understanding.

Email Etiquette

When emailing us at nursery@kidzonenursery.com, please include your child's name and the nursery they attend in the subject line. This helps us respond to you more efficiently.

Policies

We regularly review our policies to ensure they reflect the latest guidance. You'll have received a copy upon registration, but please speak to the setting manager if you'd like the most up-to-date version.

Important: Funding Code Updates

To ensure we can claim your child's funded hours each term, please update your funding code every 3 months. You should receive reminder emails from HMRC, but we are noticing an increasing number of missed updates. Your cooperation is appreciated.

Thank you for your continued support and cooperation. If you have any questions, please don't hesitate to speak to a member of the team.

We hope you enjoyed reading our Newsletter.
Thank you for trusting us to teach your little ones...
From Rachael and the Staff Team 🐝😊
