Themed planning for the this term is:

- **Baby Bees- Seasons**
- Honey Bees Transport
- Bizzy Bees- What's That?

Staff Recognition >

This month, we're celebrating Amelia!

Since joining us, Amelia has been a fantastic support across all rooms in the nursery. She's settled in beautifully and brings such a positive energy to everything she does. Her flexibility, dedication, and can-do attitude make a real difference each and every day.

A big thank you to Amelia for all your hard work – we appreciate you! 💐 👏

Outdoor Learning 🏯

This month in the garden, we've been embracing the change of seasons. As autumn arrives, the children have noticed the leaves falling from the trees, conkers appearing, and the last bits of fruit slowly disappearing from the

They've loved gathering autumn treasures such as leaves, sticks, and acorns, and using them in all sorts of creative ways. A favourite activity has been making faces with the natural items they find — exploring how different materials can be used to create eyes, noses, mouths, and more!

The children have really enjoyed walking around the garden, collecting their discoveries, and sharing the excitement of what they've found. It's been a wonderful way to learn about the changing season through play, creativity, and exploration.

Garden Co-Ordinators - Ellie Lee and Melissa Duncan

Room News

This month in Baby Bees we have been focusing on the seasons. The children enjoyed an exciting trip to the library, where we explored a variety of books themed around each season.

On our walk to the library, we spotted the autumn leaves falling from the trees and talked about the changes in the weather. Back at nursery, the babies loved exploring the crunchy leaves in the garden, feeling the different textures and sounds as they played.

It has been a wonderful way to experience the magic of autumn together!

Rebecca Thomas - Baby Bees Room Head

Honey Bees have started their exciting new theme, "Transport". The children have enjoyed taking part in a variety of transport-themed activities, including car painting, car washes in the garden, and train track tuff trays.

They have also loved talking about how they travel to nursery and describing the colours of their vehicles. Together, we have been exploring how many wheels different vehicles have and spotting the similarities and differences between them.

Melissa Duncan - Honey Bees Room Head

In Bizzy Bees we have been exploring our new theme, "What's That?". The children have been using their imagination and curiosity to investigate and create within the classroom.

We have been celebrating this theme alongside the changing season of autumn. The children have enjoyed taking part in autumn-inspired activities, such as clingfilm painting, where they could make marks in the paint and explore a variety of textures.

Lily Hennessey - Bizzy Bees Room Head

Well-Being

As the seasons change and the weather turns colder, it can feel a little sad to say goodbye to the warmth and sunshine of summer. That's why we've been encouraging both children and staff to fully embrace the magic of autumn and the winter months ahead.

We've been busy planning fun seasonal activities and events, with lots of cosy, creative moments in store. At the same time, we're starting to develop some exciting Christmas ideas that we can't wait to share with you soon!

Our focus is on keeping everyone positive, warm, and full of festive cheer as we move into this special time of year.

Lydia Bird (Well-being Co-Ordinator)

Eco-Schools

We are delighted to announce that Aimee has taken on the role of Eco-Schools Co-ordinator, and she is very excited to get started. To support her, a brand-new Eco Committee has been formed, made up of children from our Bizzy Bees room.

Ivy, Teddy, Noah, and Harriet have already begun working alongside Aimee, sharing their ideas and enthusiasm. They are looking forward to playing an important part in caring for our environment and helping us on our Eco-Schools journey.

Aimee Pye (Eco-School Co-ordinator)

Dear Parents and Carers,

We kindly ask for your support with the following reminders to help us maintain a safe and smooth-running environment for all children:

Mobile Phones

Please do not use mobile phones inside the nursery building, including hallways. This helps us maintain a safe and focused environment for the children.

Cold Weather Essentials

As the temperature drops, please ensure your child arrives with:

- A coat
- Gloves, hat and a scarf
- Appropriate footwear

Driveway Safety

Please take extra care when entering and exiting the nursery driveway. Be mindful of pedestrians and young children walking nearby. Drive slowly and safely.

Collection Time Reminder

Children must be collected by 5:45 PM. This ensures staff can give you a full handover and still have time to clean and prepare the rooms for the next day.

Bag Checks

Please do not leave items such as medication or cream in your child's bag. These must be handed to the office and a medication form completed. Also, no food should be brought in due to allergy risks. Thank you for your understanding.

Email Etiquette

When emailing us at nursery@kidzonenursery.com, please include your child's name and the nursery they attend in the subject line. This helps us respond to you more efficiently.

Policies

We regularly review our policies to ensure they reflect the latest guidance. You'll have received a copy upon registration, but please speak to the setting manager if you'd like the most up-to-date version.

Important: Funding Code Updates

To ensure we can claim your child's funded hours each term, please update your funding code every 3 months. You should receive reminder emails from HMRC, but we are noticing an increasing number of missed updates. Your cooperation is appreciated.

Thank you for your continued support and cooperation. If you have any questions, please don't hesitate to speak to a member of the team.

> We hope you enjoyed reading our Newsletter. Thank you for trusting us to teach your little ones... From Rachael and the Staff Team :
